Appreciation Letter

दिनांक :

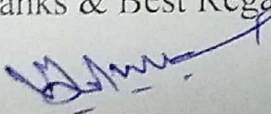

Subject: A letter of appreciation to Miss. Sania Vighneshvar Bandekar and her "CoviO2 Social Enterprise"

It gives us immense pleasure in congratulating **Miss. Sania Vighneshvar Bandekar** who is founder of a social enterprise 'COVIO2'.

COVID 19 is a global pandemic, and India is putting all out efforts to combat COVID 19. In these collective efforts, we appreciate Sania and her organization's efforts to help COVID patients and their relatives. In short span, her organization CoviO2 has connected several needy patients and hospitals to the oxygen suppliers and that too in major cities across India like Mumbai, Chennai, Kolkata, Bangalore, Vaizag and Bhopal. Her team has responded voluntarily and promptly to the needy via facebook, twitters, what's up, web portal, telecons, mobile apps and other social media.

We really appreciate an incredible social work being carried out by her team in such crucial time for the society. We wish her and her organization all the best for her future endeavors.

Thanks & Best Regards,

Vijay Jayram Indulkar
