TO WHOM IT MAY CONCERN

This is to certify that Miss Sania Bandekar has successfully completed Data science program from our institute. She has completed assignments timely. She has worked with good coordination in team projects. She is hard working & learns with enthusiasm. She has quality of good learner with dedication to work. I recommend her to take data science, machine learning, AI graduation program.

I wish her all the best for her future

Sincerely,

Srinivas Gurrala
