Dear Sania,

Congratulations! MPOWER Financing's scholarship committee has selected you as one of the winners of the MPOWER August Monthly Scholarship. This award is valued at US\$1,000. You were selected by our scholarship committee based on your professional and academic achievements, which distinguished you from hundreds of other applicants.

Your award will be disbursed directly to San Jose State University as a one-time payment. Your university will determine the exact usage of funds and whether it can be used for additional educational expenses such as fees, books, and/or food and lodging.

MPOWER Financing wishes you all the best in your educational journey. On behalf of our entire team, congratulations again!
